

saving lives

The Nelson Marlborough Rescue Helicopter Trust is a fundraising body specifically set up to support a dedicated air rescue service for the Nelson, Tasman, Marlborough & Buller regions.

24 hours a day

7 days a week

The service does not receive direct local or national government funding and must rely on the ongoing support of local businesses, gaming trusts and the generosity of our local community in order to exist.

For this reason, the Trust has introduced our Heli Rescue Supporters Club to give local small businesses the opportunity to support the service and at the same time, benefit from their association.
