

# 50K A DAY FOR THE MONTH OF MAY

Enter as an individual or as a team!

(Corporate, Social or Individual)

Get your colleagues and friends together for a great cause. Each team (no limit) will complete 1550km. To put that into perspective, New Zealand is 1600km long!

*Not only will you benefit your community but your overall wellbeing will thank you too!*

It's as easy as walking around the Nelson Airport perimeter six days a week – you get one rest day! Or take to some of the amazing tracks around the region and get to see where we fly into and save lives.

## WIN!

### Be in to WIN the Chopper Cup!

PLUS...a bunch of prizes up for grabs including a defibrillator for the workplace!

Through Givealittle, teams can compare what other teams have raised - a bit of friendly competition for a great cause!
