

Support a change for the future

The arrival of the BK117 twin engine rescue helicopter service is a huge step for the Nelson Marlborough Rescue Helicopter Trust. In fact, it is the biggest change in our history since the Trust began in 1991.

The upgrade from a Squirrel to a BK117 was made due to the imminent changes happening within the rescue helicopter regulations and safety standards. The Trust needed to future proof the vital rescue helicopter service for the Top of the South region, we did and now we need the financial support of the community. The BK117 is a huge improvement

- larger cabin, room to work on the full body of a patient,
- ability to carry more people and increased speed.

Over 400 missions
flown annually!

Now more than ever, we need your support and contribution to provide an essential life saving service to our community.

Annual Sponsorship Giving = \$600 (excl GST)

SPONSORSHIP PAYMENT OPTIONS

To make showing your support easy, we have two payment options - monthly or annual sponsorship giving.

1. MONTHLY SPONSORSHIP GIVING

Regular giving by automatic payment may be an easier way for your business to come on board and support the Rescue Helicopter Crew. Please request an automatic payment form, sponsorship form and return to us. A sponsorship invoice will then be sent for the annual amount.

2. ANNUAL SPONSORSHIP GIVING

You may wish to support the Rescue Helicopter Crew by making an annual sponsorship contribution.

There are several ways you can make your annual sponsorship contribution: by Cheque, Direct Credit & Credit Card.

To sponsor annually, please request a sponsorship form, indicate your level of sponsorship and payment form and return to us. A sponsorship invoice will then be sent.
